

CARMODY GROARKE

Part II Architectural Assistant/Architect August 2019

Contract type: Permanent/Full Time
Hours: 8:30 – 5:30pm, Monday – Friday
Salary: Dependant on skill and experience

Carmody Groarke is an award-winning architectural studio based in London, with a strong reputation for working internationally on a diverse range of arts, cultural, heritage and residential projects.

Following several exciting project commissions across the UK and internationally, the studio is seeking an enthusiastic and talented Part II Architectural Assistant or Architect with 3 - 5 years' experience post Part II to join our dynamic and friendly studio team based in Farringdon.

Successful candidates will evidence exceptional design skills, experience in technical detailing and production of drawing packages, and a clear understanding of UK building regulations having worked across all RIBA stages.

Candidates should demonstrate excellent communication skills, with the ability to speak German advantageous. You should have the ability to liaise confidently with clients, consultants and contractors, working both independently and collaboratively as part of a team. Proficiency in 3D CAD is essential, with knowledge of MicroStation and Revit also beneficial.

To apply, please submit your CV, portfolio and a covering letter by email to jobs@carmodygroarke.com outlining your suitability for the role and your availability. Please include 'Part II/Architect Application - Your Name' in the subject line. Applications should be submitted in PDF format (max. file size 10MB) and contain no more than 10 pages.

The deadline for applications is Friday 6th September, with all interviews anticipated to have taken place by Friday 13th September.

Unfortunately owing to the anticipated volume of applications we will be only be able to respond to candidates shortlisted for interview.

Carmody Groarke is an equal opportunities employer.
